USAG Reimbursement

It is that time again! USAG memberships are due. The board has voted 4-0 in favor of reimbursing members that pay for their memberships out of their own pocket. **In order to receive reimbursement, please send your receipt to mmlewis@interact.ccsd.net no later than July 31st 2015 with the address of where you would like the reimbursement check sent.** Any paperwork received after this time will **NOT** be eligible for reimbursement.

Region 1 Clinic- August 21-23 San Jose, CA

Double Tree by Hilton San Jose
2050 Gateway Place
San Jose, CA 95110

The board has voted 4-0 in favor of continuing to reimburse judges for educational clinics, Regional or National, attended up to \$500.00. In order to get a group discount, I need your name, USAG number, and email address so that I can get us registered. Please get your information to me by **July 3rd**.

Depending on how many members want to go, will depend on the discount available.

Assigning and Availability

The State of Nevada will now have an online assigning system. In order to utilize this, and effectively assign the meets for the Fall, all judges must register and fill- out availability. This needs to be completed by **August 1st**. I have attached instructions and snapshots to assist you. This is a new system;

therefore, if you have questions, I am more than willing to help. Denise and Carmen will be assigning meets and to be fair to them, so this can get done in a timely fashion, please get them turned in on-time.
